

MICHAEL WHITE - SECURITIES AMERICA

R E P O R T

The *Michael White – Securities America Report: Community Bank Investment Programs™* is an annual report on the performance of community bank investment programs. Produced by Michael White Associates and sponsored by Securities America, Inc., this report measures and benchmarks community banks’ performance in generating investment program income and its components, securities brokerage and annuity fee income.

Especially exciting are the new and innovative benchmarking ratios that give insight into the performance of community bank investment programs:

- Program Productivity
- Program Density
- Program Contribution
- Program Concentration
- Program Penetration
